After entered the credentials correctly it will redirect to Prediction page for Analysis but if the credentials are not correct it will through message as "username not found" .

## Username not found page:

The screenshot shows the SKIN BOSS login page. The header is dark grey with 'SKIN BOSS' on the left and 'Home', 'Log In', and 'Sign Up' on the right. The main content area is light blue. In the center, there is a white box titled 'SIGN IN' with the instruction 'Enter your registered email and your password.' Below this are two input fields: 'Enter registered email ID' and 'Enter Password'. A blue link 'Forgot password?' is below the password field. A black 'Sign In' button is at the bottom of the form. Below the button, the error message 'The username is not found.' is displayed.

## Logout page:

The screenshot shows the SKIN BOSS logout page. The header is dark grey with 'SKIN BOSS' on the left and 'Home', 'Log In', and 'Sign Up' on the right. The main content area is white. In the center, the text 'Successfully Logged Out!' is displayed in black. Below it, the text 'Login for more information' is shown in green. At the bottom, there is a black 'Login' button.
